Great! The case agent bursuing it. >> Ve, in fact have a legis Congress. Still, thanks clearly a busy time for Unfortunately, the class Moreover, there is still Criminal Cases, see at act used in a Mob cas classified technique on >>> One more suddesting -mail TIII on which would allow class aw from having to be i	Dec 5, 2002 12:29 PM	
Aursuing it. Aursuing it. Aursuing it. Aursuing for the second	atriot Act type suggestions for legislative proposals (a little late, but)	
Ve, in fact have a legis Congress. Still, thanks clearly a busy time for Unfortunately, the class Moreover, there is still Criminal Cases, see at act used in a Mob cas classified technique on One more success One more success one more success which would allow clas aw from having to be r	s have been looking at the DAG memo but I don't know how far they've gotten with	
Congress. Still, thanks clearly a busy time for y Infortunately, the class Moreover, there is still Criminal Cases, see at act used in a Mob cas classified technique on >>> One more suddestin cone more suddestin which would allow class aw from having to be i	12/05 12:16 PM >>>	
Unfortunately, the class Moreover, there is still Criminal Cases, see at act used in a Mob cas classified technique on One more suddestill -mail TIII on which would allow clas aw from having to be i	ative proposal to do just as you suggest. It is in the process of review for the new very much for taking the time to recommend the proposal despite what is very	
Criminal Cases, see at act used in a Mob cas classified technique on One more succession cone s	ou. ified techniques that you refer to do not "break" PGP, only circumvent it.	
One more suddestin e-mail TIII on which would allow clas aw from having to be r	he problem of the DOJ DAG's Directive on the Use of Classified Technologies in ached, which grew out of the SCARFO case in which a classified technique was in to acquire the target's encryption key. DOJ criticized the case as having risked a an unworth target. I cannot predict waht their reaction would be to your case.	
which would allow clas aw from having to be r	12/05 12:09 PM >>> n of which you are already aware of the case exemplifying the problem. In the	b3 b6 b70
aw from having to be r		b7E
aw from having to be r	Perhaps legislation could be proposed	
aw from having to be ı	ified techniques to be used in criminal investigations which would be protected by	
	evealed in court? I would say this is a fairly urgent issue and has been for some	
ime- (see Louis Freen	s recent testimony to Joint Intelligence Committee) and the current terrorism	
again.	present the best opportunity to bring up the encryption issue/possible remedy
